

Tonic— Alterative

What is a "tonic"? A medicine that increases the strength or the tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla that cures blood poisoning. Ask your doctor about it.

Biliousness, sick headache, indigestion, constipation, dizziness, these are some of the results of an inactive liver. Ask your doctor if he endorses Ayer's Pills in these cases. The dose is small, one pill at bedtime. Made by Dr. J. C. Ayer & Co., Lowell, Mass.

To the Democrats of Lafayette County:

There is a nation-wide sentiment against favor-seeking interests financing political campaigns, and the most wholesome way to throttle that insidious encroachment upon the rights of those who want justice substituted for favoritism in the affairs of government, is for the individual citizen to realize that a responsibility rests upon him to contribute financially for the furtherance of those political ideas that are consonant with his own views of justice in government affairs.

The frank and positive refusal of Missouri's candidate for president, Hon. Champ Clark, to accept campaign donations from questionable sources, brings the question of the people financing campaigns squarely up to those who are demanding justice as against organized monopoly on one hand and the every-day citizen on the other.

It is perfectly clear to all sensible men that no campaign, national in its scope, can be conducted without the legitimate expenditure of quite a lot of money. If we want a president of and for the common people, we, the plain, every-day citizens must contribute modestly to see that the candidate who most nearly represents our ideas is given a fair, square opportunity to win upon the issues and his merits.

The attitude of Speaker Clark should appeal to honest men of every political faith, and his positive enunciation of such a principle should quicken the conscience and loosen the purse strings of every honest reformer in Lafayette county. As chairman and secretary of the Lafayette County Democratic Committee, we have decided to inaugurate an opportunity for Lafayette county people to contribute to the Clark Campaign Fund, and accordingly have mailed subscription blanks out to the various voting precincts. We especially urge all those interested not to wait for the paper to be presented to them, but to inquire about the subscription and make their contributions early. Sums from 50 cents up will be accepted and if remitted to H. C. Chiles, Lexington, Missouri, will be forwarded to the St. Louis Republic where the list of contributors will be published and a receipt forwarded to each donor.

Attend to this at once and thereby manifest more than a passing interest in the efforts of democracy to again bring the people into possession of their own.

B. C. DRUMMOND,
Chairman.
H. C. CHILES, Secretary.

Metropolitan Daily Newspapers for Two Dollars.

Every day in the year except Sunday—313 copies of the Daily Rural Route Republic for \$2.00—less than two-thirds of a cent a day for the leading Metropolitan Daily of the West. Think it over—no other Metropolitan Daily is sold at the price and no person who has the benefit of a Rural Carrier Service ought to be without this great Journal. The price is a little more than you ordinarily pay for a weekly newspaper and you get the news day by day.

The news service of the Rural Route Republic is unequalled by that of any other paper published in the West. In addition to the reports of the Associated Press and of hundreds of special correspondents, The Republic receives the complete service of the New York Herald, the greatest private news-gathering organization on earth. Examine carefully the sample copy which will be sent you.

The Market Reports of The Republic are accurate, reliable and carefully edited. The grain, stock and produce figures are compiled by an expert of superior experience. Full quotations are given daily on all articles produced in this section.

1912 CAMPAIGN

The Presidential and Congressional campaign of 1912 will be one of the fiercest political battles ever fought in the history of our country. The issues involved will be vital. The St. Louis Republic, under the editorship of Horatio W. Seymour, will be in the thick of the fight. It will be the greatest newspaper exponent of Democratic principles in the Middle West.

This is a great opportunity; see your friends and neighbors at once and raise a club. A year's subscription given now will carry through the entire 1912 campaign and give the result of the elections.

No subscriptions accepted for a term less than one year. Subscriptions to the Daily Rural Route Republic accepted only from persons who receive their mail by Star Route or Rural Route Carriers. Be sure to designate your correct Rural Route number.

Send your subscription today—and remember, if you mail a club of four or more the rate will be only \$1.50 a year for each. Address
